

OUR LADY *of* LA SALETTE

Given the state of emergency because of the health crisis that is upon us, the celebration of all public Masses throughout the Archdiocese of Atlanta has been suspended—at least through the weekend of April 4 and 5. Here at Our Lady of La Salette we have suspended all activities including all our public liturgical and devotional celebrations.

These are certainly unprecedented and challenging times; however, the spiritual life of the parish continues. Here at Our Lady of La Salette, we will continue to offer:

- ◆ Adoration of the Blessed Sacrament during our normal hours on Wednesdays from 12:00 p.m. to 6:00 p.m. —this is to encourage people to come by for some independent prayer time with the Lord. As you come to the church be mindful of the need to keep an appropriate social (physical) distancing from those around you.
- ◆ You will still be able to participate in Mass at Our Lady of La Salette. We are taking steps to ensure that a Mass will be recorded and made available to you each Sunday at 10:00 a.m.
- ◆ Particularly during these uncertain times, our response to God's blessings should continue to be a priority for us. Let us not forget to remember the blessings we have received and the need we have to give back to the Lord the first fruits of those blessings. Please consider signing up for [online giving](#).

Keep informed with our parish —We will do our best to keep you updated through Facebook, MyParishApp, and the parish website, as we receive any additional directives from the archdiocese.

Please take a few minutes to download our parish app which is the fastest way of communication these days:

- For iPhone users: **text the word APP to 88202**, download the app and choose Our Lady of La Salette.

Let us continue to pray for all who are sick, all who are affected, healthcare workers, and for all of us that we may overcome the fear and anxiety that surrounds us.

God bless you and keep you!
