

# OUR LADY *of* LA SALETTE

As we continue our Easter journey, we gather as people of faith and as a domestic Church to celebrate Christ's victory over death.

Navigating the new reality of virtual Church during the pandemic has been a challenge. So, because of unexpected technological challenges, we will not be able to stream the Celebration of the Eucharist this Sunday (April 26.) We shall resume streaming next Sunday (May 3.) The Cathedral of Christ the King in Atlanta has live stream of the Eucharist at 10:30 a.m. in English and at 1:30 p.m. in Spanish. [Click here](#) to connect with the Cathedral.

I would like to invite all of you however to briefly reflect on this Sunday Gospel. We read about Jesus revealing himself to two of his friends in the breaking of the bread after his resurrection, and how after recognizing him, the two immediately went out to spread the news that, "The Lord has truly been raised"! Let us draw inspiration from these disciples and spread the same Good News, beginning with our domestic Church. So, inspired by the conversation between Jesus and the disciples on the road to Emmaus, take a walk as a family and talk about how God is working in your life. While you walk and enjoy being surrounded by God's gift of nature, talk about the times when Jesus has surprised you.

Like the disciples on the road to Emmaus, many of us are facing disappointment, grief, and other difficulties. We want you to remember that we're all in this together and that we're here for you. This is how:

- ◆ If you have financial needs, a need for groceries, or other physical needs, please [click here](#) to let us know.
- ◆ We haven't stopped praying for you. Please [click here](#) to update us on any prayer requests you may have.

Please know that we will not meet in-person yet. All of our liturgies, events, groups, and other gatherings continue to be suspended through the month of May. You may see the communication from the Georgia bishops [here](#).

We will continue to be connected through these emails, Facebook and myParish App, and the parish website. If you haven't downloaded our app yet, please take a few minutes to do it by texting the word **App** to 88202.

Please remember that particularly during these uncertain times, our response to God's blessings should continue to be a priority for us. Let us not forget to remember the blessings we have received and the need we have to give back to the Lord the first fruits of those blessings. Please consider signing up for [online giving](#) or sending your offering through the mail.

God bless you and keep you!

*Sister*
